### 1.3 Roles and Responsibilities of the Executive Chairman and Managing Director, Executive Directors, Senior Independent Non-Executive Director and Independent Non-Executive Directors

#### Office of Executive Chairman and Managing Director

The Company's Chairman is an Executive Director and there are three (3) Independent Non-Executive Directors out of seven (7) board members, (excluding the two (2) Alternate Directors).

Mr. Gooi Seong Lim is essentially functioning as Managing Director and Chairman of the Board. The Board is mindful that the convergence of the two roles is not in compliance with best practice but took into consideration the fact that he has a controlling shareholding and there is an advantage of shareholder leadership with natural alignment. In respect of potential conflict of interest, the Board is comfortable that there is no undue risk involved as all related party transactions are strictly dealt with in accordance with the MMLR.

The Nominating Committee has assessed, reviewed and determined that the chairmanship of Mr. Gooi Seong Lim remains based on the following justifications / aspects contributed by him, as a member of the Board:

- He has acted and will continue to act in the best interest of shareholders as a whole. Since the Chairman represents shareholders with a substantial interest in the Company, he is well placed to act on behalf of the shareholders and in their best interests;
- His vast experience in managing the operations of the Group's property development and construction would enable him to provide the Board with a diverse set of experience, expertise and skills to better manage and run the Group;
- He has exercised his due care in the interest of the Company and shareholders during his tenure as an Executive Chairman and Managing Director of the Company;
- He has provided objectivity in decision making and ensured effective check and balance in the proceedings of the Board; and
- He has shown tremendous commitment and played an integral role in stewardship.

As of now, the Board does not believe that it should urgently increase the independent directors to form at least half of the Board composition to comply with the recommendations of MCCG because the current number of independent directors is sufficient to ensure effective check and balance in the Board.

However, the Board will continuously review and evaluate such recommendation.

The Company has placed internal procedures for the application and appointment process for the services.

The Directors are responsible at all times to determine whether they have a potential or actual conflict of interest in relation to any matter, which comes before the Board. In the event that a corporate proposal is required to be approved by shareholders, interested directors will abstain from voting in respect of their shareholdings in Crescendo Corporation Berhad on the resolution related to the corporate proposal and will further ensure that persons related to them also refrain from voting on the resolution.

## 2. BOARD COMPOSITION

### 2.1 Board Composition

The Board composition is in compliance with Paragraph 15.02(1) of the MMLR which stipulates that at least two Directors or 1/3 of the Board, whichever is higher, must be Independent Directors.

Details of the current individual director's qualifications and experiences is presented in the Board of Directors' Profile from page 15 to 19 of this Annual Report.

### 2.2 Independent Non-Executive Directors

The presence of Independent Non-Executive Directors provides a pivotal role in corporate accountability. The role of the Independent Non-Executive Directors is particularly important as they provide independent and objective views, advice and judgement in the Board's decision-making process. The Independent Non-Executive Directors do not participate in the operation of the Group in order to uphold their objectivity and fulfil their responsibility to provide check and balance to the Board.

#### i. Annual Assessment of Independent Directors

The Board recognises the importance of independence and objectivity in its decision making process. The Independent Directors who are professionals of high calibre and integrity with expertise in their respective field, enable a more robust deliberation process with greater impartiality and objectivity.

#### i. Annual Assessment of Independent Directors (Cont'd)

During the financial year, the Board through the Nominating Committee performed an evaluation of all Directors including the Independent Directors and was satisfied that the Independent Directors have demonstrated their ability to act impartially and objectively during Board deliberations and acted in the interest of the Company and its stakeholders. The Company has appointed two new Independent Directors to replace the outgoing Independent Directors.

#### ii. Tenure of Independent Director

The Board noted the recommendation of the Code that the tenure of an Independent Director should not exceed a cumulative term of nine (9) years. Upon completion of the 9 (nine) years, an independent director may continue to serve on the board as a non-independent director. If the Board intends of retaining an individual as independent director beyond nine years, it should justify and seek annual shareholders' approval through a two-tier voting process.

The Nominating Committee and the Board have deliberated on the recommendation and hold the view that the ability of an Independent Director to exercise independent judgement is not affected by the length of his service as an Independent Director. The suitability and ability of an Independent Director to carry out his roles and responsibilities effectively are very much a function of his calibre, experience and personal qualities. Restriction on tenure may cause loss of experience and expertise that are important contributors to the efficient working of the Board.

Both the Nominating Committee and the Board have assessed the independence of Mr Chew Ching Chong who has served as an Independent Non-Executive Director of the Company for a cumulative term of more than 9 (nine) years, and recommended him to be retained as Independent Non-Executive Director of the Company based on the following justifications:

- a. He has fulfilled the criteria under the definition of an Independent Director as stated in the MMLR, and thus he would be able to provide independent judgement, objectivity and check and balance to the Board;

- b. He performs his duties and responsibilities diligently and in the best interests of the Company without being subject to influence of the management;
- c. His in-depth knowledge of the Group's businesses and his extensive knowledge, commitment and expertise continue to provide invaluable contributions to the Board;
- d. He, having been with the Company for more than 9 (nine) years, is familiar with the Group's business operations and has devoted sufficient time and attention to his professional obligations and attended the Board and Committee meetings for an informed and balanced decision making;
- e. He is independent as he has shown great integrity and he has not entered into any related party transaction with the Group; and
- f. He is currently not sitting on the board of any other public and/or private companies having the same nature of business as that of the Group.

Both the Nominating Committee and the Board also recognise the benefits of the experience, valuable insights, expertise and stability brought by Mr Chew Ching Chong and his continued service will serve the interest of the Company and its shareholders.

The Board is unanimous in its opinion that Mr Chew Ching Chong, who has served on the Board as Independent Director, exceeding a cumulative term of 9 (nine) years, continue to fulfil the criteria and definition of Independent Director as set out under Paragraph 1.01 of MMLR.

In this respect, the Board has approved the continuation of Mr Chew Ching Chong as Independent Director of the Company. The Board believes that it is in the best position to identify, evaluate and determine whether any Independent Director can continue acting in the best interests of the Company and bringing independent and professional judgement to board deliberations. Accordingly, the Board strongly recommends retaining Mr Chew Ching Chong as Independent Non-Executive Director and will be tabling Ordinary Resolution 11 to shareholders at the 27th AGM for the said purpose. Shareholders' approval for the Ordinary Resolution will be sought on a single tier voting process.

## CORPORATE GOVERNANCE OVERVIEW STATEMENT

(Cont'd)

**iii. Shareholders' approval for retention of Independent Director**

The Board takes cognizance of the recommendation of the Code regarding tenure of an Independent Director but will seek approval of the shareholders through a single tier voting process for retention of an Independent Director who has served for a cumulative term of more than 9 (nine) years. This is in line with the general rule on voting as provided in the Companies Act, 2016 which states that every shareholder has one vote for every share he holds, and resolutions are to be decided by a simple majority for ordinary resolutions and 75% of votes for special resolutions through a single tier voting process.

**iv. Independent Directors and balance of power**

The Code recommends that at least half of the Board comprises Independent Directors. The Board is of the opinion that the current number of independent directors is sufficient to ensure balance of power and authority on the Board.

The Board is also satisfied with its composition in respect of representation of minority shareholders by the Independent Non-Executive Directors.

**2.3 Board Diversity**

The Board acknowledges the importance of boardroom diversity in terms of gender, ethnicity, regional and industry experience, cultural and geographical background, age and perspective. However, the Board is of the collective opinion that there was no necessity to adopt a formal diversity policy as the Group is committed to providing fair and equal opportunities and nurturing diversity within the Group.

When appointing a Director, the Nominating Committee and the Board will always evaluate and match the criteria of the candidate to the Board based on individual merits, experience, skill, competency, knowledge and potential contribution, whilst the Code will also be given due consideration for boardroom diversity.

During the financial year, one female Director was appointed to the Board.

The Company does not set any specific target for boardroom diversity.

As at 31 January 2023, the diversity of the Directors is as follows:

**Number of Director by Gender 7**

<b>Male</b>	<b>Female</b>
6	1

**Number of Director by Nationality 7**

<b>Malaysian</b>	<b>Foreigners (Non-Malaysian)</b>
7	0

**Number of Director by Age Group (Years) 7**

<b>Below 50</b>	<b>50-60</b>	<b>60-70</b>	<b>Above 70</b>
0	2	3	2

**2.4 Foster Commitment of the Director****Board Meetings**

The Board normally meets at least four (4) times a year with additional meetings convened when urgent and important decisions need to be taken between scheduled meetings. Due notice of issue to be discussed, deliberated and conclusions arrived are recorded in discharging its duties and responsibilities.

During the financial year, the Board met on five (5) occasions, where it deliberated upon and considered a variety of matters including approving the Group's financial results, strategic and investment decisions as well as financial and operations performance of its subsidiary companies.

The agenda for each Board meeting and papers relating to the agenda is sent to all Directors at least seven (7) days before the meeting, in order to provide sufficient time for the Directors to review the Board papers and seek clarifications, if any.

All proceedings at the Board meetings are recorded by way of minutes and signed by the Chairman of the respective meeting.

**Time Commitment and Protocol for Accepting New Directorships**

The Directors are aware of the time commitment expected from them to attend to matters of the Group in general, including attendance at meetings of the Board and Board Committees and other types of meetings. Meetings for each financial year are scheduled in advance for Directors to plan their schedule ahead of time.

### Time Commitment and Protocol for Accepting New Directorships (Cont'd)

The Board is satisfied with the level of time commitment given by the Directors in the discharge of their roles and responsibilities as the Directors of the Company as evidenced by their attendance at the respective meetings set out below:

All Directors have complied with the minimum 50% attendance requirements in respect of board meetings as stipulated by the MMLR.

Under the existing practice, the Directors shall inform the Board before accepting new directorships in other companies and ensure that their number of directorships in public listed companies is in compliance with the MMLR.

### 2.5 Overall Board Effectiveness

The Board reviews its performance and that of the Board Committees and individual Directors on an annual basis based on a set of predetermined criteria on a process that is facilitated by the Nominating Committee.

A comprehensive and independent assessment of the candidate will be conducted by the Nominating Committee without any influence from the major controlling shareholders, Managing Director or Executive Directors.

In the evaluation of Directors, the Nominating Committee takes into account the following criteria:

- skills, knowledge, expertise and experience;
- character, integrity and professionalism;

- perceived ability to work cohesively with other members of the Board;
- number of directorships and other external obligations which may affect the Director's commitment, including time commitment and value contribution;
- diversity in age, gender and experience/background; and
- such other relevant factors as may be determined by the Nominating Committee which would contribute to the Board's collective skills,

whilst taking into account the current and future needs of the Company, boardroom diversity and other soft attributes required as Directors.

During the year, there were changes to the Board Members due to time limitation imposed on Independent Non-Executive Director and succession planning of independent directorship. Three (3) Independent Non-Executive Directors resigned during the year and were replaced by two (2) new Independent Non-Executive Directors.

As at the end of the financial year 31 January 2023, the Board comprised seven (7) members of which three (3) are Independent Non-Executive Directors and four (4) are Executive Directors.

## 2.7 Board Committees

In order to assist in the execution of Board's responsibilities for the Group, certain functions have been delegated by the Board to Board Committees. Clearly defined terms of reference have been given to these Committees to enable them to operate effectively. However, these Committees do not have any executive powers. The Chairman of the respective Committees reports to the Board the outcome of the Committee meetings and such reports are incorporated in the Board papers (except the power of the Audit Committee to report to Bursa Securities in circumstances described in the Audit Committee Report).

The Board periodically reviews the Committees' terms of reference.

### i. Audit Committee

The Audit Committee serves as a focal point of communication between Directors, External Auditors, Internal Auditors and the Senior Management on matters pertaining to financial accounting, reporting and controls. The Committee also assists the Board in fulfilling its fiduciary responsibilities as to accounting policies and reporting practices of the Company and all subsidiaries and the sufficiency of auditing of the Group. It is also the Board's principal agent in ensuring the independence of the Company's External Auditors and the adequacy of disclosures to shareholders.

The Committee has full access to the auditors both internal and external, who in turn, have access at all times to the Chairman of the Audit Committee.

In line with good corporate governance practices, none of the Executive Directors are members of the Audit Committee. The Terms of Reference of the Audit Committee is available on the Company's website at [www.crescendo.com.my](http://www.crescendo.com.my) and the Report of the Audit Committee is disclosed on pages 60 to 62 of this Annual Report. The works of the Audit Committee during the financial year ended 31 January 2023 are also set out in the Report of the Audit Committee.

### ii. Remuneration Committee

The Remuneration Committee is responsible for recommending the remuneration framework and the remuneration packages of the Executive Chairman and Managing Director, Executive Directors and senior management to the Board so as to ensure

that rewards are linked to their performance and contributions to the Group's growth and profitability in order to align the interest of the Directors and senior management with those of shareholders. The Committee also ensures that the level of remunerations for Executive Directors and senior management are linked to their level of responsibilities and contribution to the effective functioning of the Company. None of the Executive Directors participated in any way in determining their individual remuneration.

The Board as a whole determines the remuneration packages of Independent Non-Executive Directors with the Directors concerned abstaining from discussions in respect of their individual remuneration. In deciding on an appropriate level of fees for each Independent Non-Executive Director, the Board has considered the responsibility level and time commitment required in attending both the scheduled and special Board meetings, deliberation time required for Board papers, as well as the number of Board Committees involved.

The Terms of Reference of the Remuneration Committee is available on the Company's website at [www.crescendo.com.my](http://www.crescendo.com.my).

### iii. Nominating Committee

The Nominating Committee is empowered by the Board through clearly defined terms of reference to ensure that there are appropriate procedures in place for the nomination, selection and evaluation of Directors. The Nominating Committee assesses the effectiveness of the Board as a whole and each of the Board Committees as well as the contribution of each individual Director, including the Independent Non-Executive Directors, Executive Chairman and Managing Director on an annual basis. All assessments and evaluations carried out by the Nominating Committee in discharging its duties are documented in the minutes of meetings.

The objective of the assessment of the effectiveness of the Board as a whole, the Board Committee and the contribution of each Director was to improve the Board and the Committee's effectiveness and to enhance the Director's awareness of the key areas that need to be addressed. The evaluation result was tabled for consideration of the Nominating Committee and its recommendations to the Board.

## CORPORATE GOVERNANCE OVERVIEW STATEMENT

(Cont'd)

### iii. Nominating Committee (Cont'd)

The Board, through the Nominating Committee's annual appraisal process, believes that it possesses the required mix of skills, experience and other qualities including core competencies brought by Independent Non-Executive Directors which enables it to discharge its duties in an effective manner in light of the challenging economic and operating environment in which the Group operates. Furthermore, the Board continuously reviews its size and composition with particular consideration on its impact on the effective functioning of the Board.

The Board appoints its members through a selection process. All new appointees will be considered and evaluated by the Nominating Committee for the candidates' ability to discharge responsibilities as expected from them. The Committee will then recommend the candidates to be approved and appointed by the Board. The Company Secretaries will ensure that all appointments are properly made, and that legal and regulatory obligations are met.

The Terms of Reference of the Nominating Committee are available on the Company's website at [www.crescendo.com.my](http://www.crescendo.com.my).

## 3. REMUNERATION

**3.1** The remuneration policy of the Company aims to enable the Company to attract and retain Directors and senior management of calibre and relevant experience and expertise to manage the Group successfully. For an Executive Director and senior management, their remuneration will depend on the achievement of goals including targets and personal achievement and is linked to Group and individual performance. In the case of a Non-Executive Director, the level of remuneration reflects the experience, expertise and level of responsibilities undertaken by the particular Non-Executive Director concerned. **3.2 Remuneration Disclosure For Top Five (5) Key Senior Management**

The Company has an existing policy whereby the remuneration of employees is classified as confidential.

The Board is of the view that disclosure on a named basis of the top five (5) Senior Management's remuneration components in bands of RM50,000 as being disadvantageous to the Group given the competitiveness in the property industry for talent. It could also possibly give rise to unnecessary staff rivalry and disillusionment. Additionally, as the components of the remuneration of Senior Management are subject to the Personal Data Protection Act 2010, the Board has opted not to disclose personal data of its Senior Management to the public at large.

The performance of senior management is evaluated on an annual basis and measured against pre-determined targets including responsibilities. The Board will ensure that the senior management is appropriately remunerated based on their performance. The Board will continuously undertake a robust internal process to ensure that the remuneration of Senior Management is competitive and fair.

## PRINCIPLE B: EFFECTIVE AUDIT AND RISK MANAGEMENT

**4.1 Compliance of Financial Statements with Applicable Financial Reporting Standards**

The Audit Committee is tasked with assisting the Board in maintaining a sound system of internal control across the Group. Accurate and reliable financial statements are a key outcome of a sound system of internal control and towards this end, the Audit Committee considers the following on a regular basis:

- Changes in accounting policies, practices and implementation thereof
- Significant adjustment arising from external audit process
- Qualification of the External Auditor's report (if any)
- Going concern assumption
- Adequacy and appropriateness of disclosures

The Audit Committee also meets with the External Auditors without the presence of Management, and this is a forum at which the External Auditors may raise, among other matters, any concern they may have on the compliance aspect of the financial statements.

The Directors consider that in preparing the financial statements, the Group has used appropriate accounting policies, consistently applied and supported by reasonable and prudent judgement and estimates. All accounting standards which the Board considers to be applicable have been adopted, subject to any explanation for material departures disclosed in the notes to the financial statements.

The Group Financial Controller updates the Audit Committee on a quarterly basis on the Group's financial performance and highlights key issues in connection with the preparation of the results, including the adoption of new accounting standards/policies. The Group Financial Controller is responsible for ensuring that the Group is aware of impending changes to the accounting standards and also the relevant regulatory requirements, recognises the implication of those changes and complies with the requirements.

The Company's financial statements are prepared in accordance with the requirements of the Companies Act, 2016 and Malaysian Financial Reporting Standards. The Board is responsible to ensure that the financial statements give a true and fair view and balanced and understandable assessment of the state of affairs of the Company and of the Group. The Audit Committee assists the Board to ensure accuracy and adequacy of all information for disclosure and compliance with accounting standards.

The Board presents a balanced and meaningful assessment of the Group's financial performance and prospects to the shareholders, investors and regulatory authorities, primarily through the quarterly

financial results and annual financial statements, Chairman's Statements and Management Discussion & Analysis in the Annual Report.

**4.2 External Auditors**

The Board through the establishment of the Audit Committee, has established a good working relationship with its External Auditors i.e., Messrs Raki CS Tan & Ramanan. The Group also maintains a transparent and professional relationship with its External Auditors in seeking professional advice and ensuring compliance with the applicable Financial Reporting Standards in Malaysia. Messrs Raki CS Tan & Ramanan report to the shareholders of the Company on their opinion which is included as part of the Group's Annual Report with respect to their audit on each year's statutory financial statements. The Company's External Auditors are appointed every year during the AGM.

The External Auditors are invited to attend the Audit Committee meetings and AGM and are available to answer shareholders' questions on the conduct of the statutory audit and the preparation and content of their audit report.

The Board has adopted a procedure in relation to the provision of non-audit services by the Company's External Auditors to ensure that it is not in conflict with the role of the External Auditors or their independence. The External Auditors are required to declare their independence annually.

The Audit Committee is responsible to review all the non-audit services provided by the External Auditors and the aggregate amount of fees paid to them. Details of the amounts paid to the External Auditors for non-audit services performed during the year are set out in the Additional Compliance Information of this Annual Report.

The Audit Committee is also aware of the recommendation of the Code to have policies and procedures in place to assess the suitability and independence of External Auditors. Considering the expertise and existing business knowledge of the current External Auditors and the location of the Company and its subsidiaries, the Audit Committee is of the opinion that the current External Auditors are still suitable for re-appointment. While assessing the independence of the External Auditors, the Audit Committee is satisfied and agreed with the representation by the External Auditors in their Audit Planning Memorandum for the audit of the financial year ended 31 January 2023, that they are independent in accordance with the By-laws (on Professional Ethics, Conduct and Practise) of the Malaysian Institute of Accountants. Furthermore, during the financial year ended 31 January 2023, the External Auditors were not engaged for any significant services other than the statutory audit.

- Review effectiveness of the Group's systems of internal controls;
- Assist in reviewing the adequacy, integrity and effectiveness of the Company's internal control system for the Board as well as to assist in drafting the Statement of Risk Management and Internal Control in the Annual Report;

The Internal Auditors adopts a risk-based auditing approach by focusing on identified high risk areas for compliance with control policies and procedures, identifying business risks which have not been appropriately addressed and evaluating the adequacy and integrity of controls and statutory requirements based on an internal audit plan agreed annually with the Audit Committee and report on the systems of financials and operations control to the Audit Committee. Submission of the audit results to the Management and the Audit Committee would ensure that the Management is compliant with the internal control systems and implementing continuous improvement.
