The presence of Independent Non-Executive Directors provides a pivotal role in corporate accountability. The role of the Independent Non-Executive Directors is particularly important as they provide independent and objective views, advice and judgement in the Board's decision-making process. The Independent Directors who are professionals of high calibre and integrity with expertise in their respective field, enable a more robust deliberation process with greater impartiality and objectivity.

The current Independent Directors meet the recommendation by the Code as they were appointed to the Board in years 2022 and 2025 respectively.

iii. Independent Directors and balance of power

The Code recommends that at least half of the Board comprises Independent Directors. The Board is of the opinion that the current number of independent directors is sufficient to ensure balance of power and authority on the Board.

The Board is also satisfied with its composition in respect of representation of minority shareholders by the Independent Non-Executive Directors.

2.3 Board Diversity

The Board acknowledges the importance of boardroom diversity in terms of gender, ethnicity, regional and industry experience, cultural and geographical background, age and perspective.

In order to assist in the execution of the Board's responsibilities, certain functions have been delegated by the Board to Board Committees. Clearly defined terms of reference have been given to these Committees to enable them to operate effectively. However, these Committees do not have any executive powers. The Chairman of the respective Committees reports to the Board the outcome of the Committee meetings and such reports are incorporated in the Board papers (except the power of the Audit Committee to report to Bursa Securities in circumstances described in the Audit Committee Report).

The Board periodically reviews the Committees' terms of reference.

i. Audit Committee

The Audit Committee serves as a focal point of communication between Directors, External Auditors, Internal Auditors and the Senior Management on matters pertaining to financial accounting, reporting and controls. The Committee also assists the Board in fulfilling its fiduciary responsibilities as to accounting policies and reporting practices of the Company and all subsidiaries and the sufficiency of auditing of the Group. It is also the Board's principal agent in ensuring the independence of the Company's External Auditors and the adequacy of disclosures to shareholders.

The Committee has full access to the auditors both internal and external, who in turn, have access at all times to the Chairperson of the Audit Committee. In line with good corporate governance practices, none of the Executive Directors are members of the Audit Committee. The Terms of Reference of the Audit Committee is available on the Company's website at www.crescendo.com.my and the Report

of the Audit Committee is disclosed on pages 86 to 89 of this Annual Report. The works of the Audit Committee during the financial year ended 31 January 2026 are also set out in the Report of the Audit Committee.

ii. Remuneration Committee

The Remuneration Committee is responsible for recommending the remuneration framework and the remuneration packages of the Executive Chairman and Managing Director, Executive Directors and key senior management to the Board so as to ensure that rewards are linked to their performance and contributions to the Group's growth and profitability in order to align the interest of the Directors and senior management with those of shareholders. The Committee also ensures that the level of remunerations for Executive Directors and key senior management are linked to their level of responsibilities and contributions. None of the Executive Directors participated in any way in determining their individual remuneration.

The Board as a whole determines the remuneration packages of Independent Non-Executive Directors with the Directors concerned abstaining from discussions in respect of their individual remuneration. In deciding on an appropriate level of fees for each Independent Non-Executive Director, the Board has considered the responsibility level and time commitment required in attending both the scheduled and special Board meetings, deliberation time required for Board papers, as well as the number of Board Committees involved.

The Terms of Reference of the Remuneration Committee is available on the Company's website at www.crescendo.com.my and the Report of the Remuneration Committee is on page 90 of this Annual Report.

All assessments and evaluations carried out by the Nominating Committee in discharging its duties are documented in the minutes of meetings.

The objective of the assessment is to improve the Board and the Committee's effectiveness and to enhance the Director's awareness of the key areas that need to be addressed. Upon completion of the assessment, the Nominating Committee will present their recommendations to the Board.

The Board, through the Nominating Committee's annual appraisal process, believes that it possesses the required mix of skills, experience and other qualities including the required core competencies to discharge its duties in an effective manner. The Board continuously reviews its size and composition to ensure that it can carry out its function effectively.

The Board has a Fit and Proper Policy (accessible on the Company's website at www.crescendo.com.my) to ensure that a person to be appointed or elected/re-elected as Directors possesses the necessary quality and character as well as integrity, competency and commitment. This policy serves as a guide for the Nominating Committee and the Board in their review and assessment of potential board candidates as well as Directors who are seeking for re-election.

The Board appoints its members through a selection process. All potential Board candidates will be considered and evaluated by the Nominating Committee. The Committee will recommend candidates they deemed suitable for the approval and appointment by the Board. The Company Secretaries will ensure that all appointments are properly made, and that legal and regulatory obligations are met.

The Terms of Reference of the Nominating Committee is available on the Company's website at www.crescendo.com.my and the Report of the Nominating Committee is on pages 91 to 92 of this Annual Report.

3. REMUNERATION

3.1 The remuneration policy of the Company aims to enable the Company to attract and retain Directors and senior management of calibre and relevant experience and expertise to manage the Group successfully. For an Executive Director and senior management, their remuneration will depend on the achievement of goals including targets and personal achievement and is linked to Group and individual performance. In the case of a Non-Executive Director, the level of remuneration reflects the experience, expertise and level of responsibilities undertaken by the particular Non-Executive Director concerned. 3.2 Remuneration Disclosure For Top Five (5) Key Senior Management

The Company has an existing policy whereby the remuneration of employees is classified as confidential.

The Board is of the view that disclosure on a named basis of the top five (5) Senior Management's remuneration components in bands of RM50,000 as being disadvantageous to the Group given the competitiveness in the property industry for talent. It could also possibly give rise to unnecessary staff rivalry and disillusionment.

The performance of senior management is evaluated on an annual basis and measured against pre-determined targets including responsibilities. The Board will ensure that the senior management is appropriately remunerated based on their performance. The Board will continuously undertake a robust internal process to ensure that the remuneration of Senior Management is competitive and fair.

PRINCIPLE B : EFFECTIVE AUDIT AND RISK MANAGEMENT

4.1 Compliance of Financial Statements with Applicable Financial Reporting Standards

The Audit Committee is tasked with assisting the Board in maintaining a sound system of internal control across the Group. Accurate and reliable financial statements are a key outcome of a sound system of internal control and towards this end, the Audit Committee considers the following on a regular basis:

- Changes in accounting policies, practices and implementation thereof (if any)
- Significant adjustment arising from external audit process (if any)
- Qualification of the External Auditor's report (if any)
- Going concern assumption
- Adequacy and appropriateness of disclosures

The Audit Committee also meets with the External Auditors without the presence of Management from time to time. This is a forum at which the External Auditors may raise, among other matters, any concern they may have on the compliance aspect of the financial statements.

The Directors consider that in preparing the financial statements, the Group has used appropriate accounting policies, consistently applied and supported by reasonable and prudent judgement and estimates. All accounting standards which the Board considers to be applicable have been adopted, subject to any explanation for material departures disclosed in the notes to the financial statements.

The Group Financial Controller updates the Audit Committee on a quarterly basis on the Group's financial performance and highlights key issues in connection with the preparation of the results, including the adoption of new accounting standards/policies. The Group Financial Controller is responsible for ensuring that the Group (a) is aware of impending changes to the accounting standards and also the relevant regulatory requirements, and (b) recognises the implication of those changes and complies with the requirements.

The Company's financial statements are prepared in accordance with the requirements of the Companies Act, 2016 and Malaysian Financial Reporting Standards. The Board is responsible to ensure that the financial statements give a true and fair view and balanced and understandable assessment of the state of affairs of the Company and of the Group. The Audit Committee assists the Board to ensure accuracy and adequacy of all information for disclosure and compliance with accounting standards.

The Board presents a balanced and meaningful assessment of the Group's financial performance and prospects to the shareholders, investors and regulatory authorities, primarily through the quarterly financial results and annual financial statements, Chairman's Statements and Management Discussion & Analysis in the Annual Report.

4.2 External Auditors

PricewaterhouseCoopers PLT ("PwC") was appointed as the Group's new external auditors following the conclusion of the Twenty-Ninth Annual General Meeting ("AGM") held in 2025.

Messrs. Raki CS Tan & Ramanan, the retiring auditors, had indicated their intention not to seek re-appointment at the AGM. Their term of office ended at the conclusion of the meeting.

The Board of Directors, after conducting a strategic review of the Group's audit requirements, recommended the appointment of PwC to better align the external audit function with the Group's evolving business scale, complexity, and corporate governance standards. The appointment of PwC as external auditors was approved by shareholders as Ordinary Resolution 6 at the AGM. PwC will hold office until the conclusion of the next AGM.

This transition to one of the Big Four audit firms underscores the Group's commitment to upholding high standards of financial reporting, transparency, and corporate governance as the Company continues to grow.

The Board, through the Audit Committee, maintains an effective and professional working relationship with the External Auditors. This relationship is built on transparency, open communication, and mutual respect, enabling the External Auditors to provide independent and objective advice while supporting the Group in ensuring full compliance with the Malaysian Financial Reporting Standards and applicable regulatory requirements.

The External Auditors report independently to the shareholders of the Company on their audit opinion relating to the statutory financial statements. This opinion is included in the Independent Auditors' Report, which forms part of the Group's Annual Report each year. The External Auditors are appointed annually by the shareholders at the AGM.

The External Auditors are invited to attend the Audit Committee meetings and AGM and are available to answer shareholders' questions on the conduct of the statutory audit and the preparation and content of their audit report.

The Board has adopted a procedure in relation to the provision of non-audit services by the Company's External Auditors to ensure that it is not in conflict with the role of the External Auditors or their independence. The External Auditors are required to declare their independence annually.

The Audit Committee is responsible to review all the non-audit services provided by the External Auditors and the aggregate amount of fees paid to them. Details of the amounts paid to the External Auditors for non-audit services performed during the year are set out in the Additional Compliance Information of this Annual Report.

4.2 External Auditors (continued)

While assessing the independence of the External Auditors. Following the conclusion of the financial year, the Audit Committee undertook a review of the group's audit requirements to ensure alignment with our evolving business needs and governance framework and decided to transition to a new audit firm. Raki CS Tan & Ramanan was relieved of its duties as the Group Auditors. While assessing the independence of the External Auditors, the Audit Committee is satisfied and agreed with the representation by the External Auditors in their Audit Planning Memorandum for the audit of the financial year ended 31 January 2026, that they are independent in accordance with the By-laws (on Professional Ethics, Conduct and Practise) of the Malaysian Institute of Accountants. Furthermore, during the financial year ended 31 January 2026, the External Auditors were not engaged for any significant services other than the statutory audit.

The Board is satisfied based on advice from the Audit Committee that the provision of the non-audit services does not in any way compromise the External Auditors' independence. In addition, the Audit Committee has obtained a written assurance from the External Auditors confirming that they are and have been independent throughout the conduct of the audit engagement in accordance with the terms of all relevant professional and regulatory requirements.

4.3 Internal Audit Function

The Group's internal audit function is performed by the Company's Assurance and Governance Department ("Internal Auditors") which acts independently from the activities and operations of the Group. The Assurance and Governance team reports to the Head of Assurance and Governance and the Audit Committee.

The main purposes of the Internal Auditors are to:

- Review the adequacy, integrity and effectiveness of the Group's systems of internal controls;
- Support the Audit Committee in evaluating the effectiveness of the existing internal control system, identify future requirements and codevelop a prioritized action plan to further enhance the internal control system;
- Identify the key business processes within the Group and Company that Internal Audit should focus on;
- Allocate necessary resources to selected areas of audit in order to provide the Management and Audit Committee an effective and efficient level of internal audit coverage; and
- Coordinate risk identification and risk management processes and activities.

The Internal Auditors adopts a risk-based auditing approach by focusing on identified high risk areas for compliance with control policies and procedures, identifying business risks which have not been appropriately addressed and evaluating the adequacy and integrity of controls and statutory requirements based on an internal audit plan agreed annually with the Audit Committee and report on the systems of financials and operations control to the Audit Committee. Submission of the audit results to the Management and the Audit Committee would ensure that the Management is compliant with the internal control systems and implementing continuous improvement.

4.4 Related Party Transactions

Directors recognise that they have to declare their respective interests in transactions with the Company and with the Group and abstain from deliberation and voting on the relevant resolutions in respect of such transactions at the Board or at any general meetings convened to consider the matter. The Company has an internal framework to ensure it complies with the related party transactions as prescribed in the MMLR.

The related party transactions are recorded and presented to the Audit Committee on a half-yearly basis for review and discussion should any concern arise. All related party transactions are reviewed as part of the annual internal audit plan, and the Audit Committee reviews any related party transactions and conflict of interest situation that may arise within the Group including any transactions, procedure or course of conduct that causes questions of management integrity to arise.

4.5 Risk Management Framework

The Board recognises that risk management is an integral part of the Group's business operations and is important for the achievement of its business objectives. The Group has established a Risk Management and Sustainability Committee ("RMSC") that is chaired by the Executive Chairman and Managing Director and its members comprise the Executive Directors, Heads of Divisions & Departments ("HODS") and staff from key operations.

They have also been tasked to identify the risks relating to their areas; the likelihood of these risks occurring; the consequences if they do occur; and the actions being and/or to be taken to manage these risks to an acceptable level. The risk profiles and risk treatment measures determined from this process are documented in risk registers with each business or operations area having its respective risk register. The risk registers are eventually compiled to form the Group Risk Profile for reporting to the RMSC.

Ongoing risk management education and training is provided at Management and staff level by members of the RMSC and the Audit Committee.
